## 2 OBJECTIVE

The objective of the policy is to provide guidelines to all Associates at Atria India Private Limited. (Hereafter referred to as Atria) on the following:

- Leave Entitlement, Holidays and Working Hours
- Carry-forward and Accumulation of leave.
- Process for availing leave/s
- Encourage Associates to maintain a healthy work-life balance.

### 3 GENERAL GUIDELINES

- Atria follows a five-day week policy; Saturdays and Sundays are weekly holidays. However, weekly holidays may vary for some associates based on workschedule and business requirements.
- An associate who fails to report to work or remains absent beyond the period of leave originally granted or subsequently extended in writing, will be marked as absconding by Atria. This may result in strict disciplinary actions even leading to termination of employment without giving any notice – unless the Associate returns to work within seven days of the commencement of such unauthorized absence.
- The policy (or portions of policy) may undergo revision without prior notice at Atria’s discretion. A copy of the updated version will be available on AtriaNet; Associates are advised be familiar with the latest Policy version.
- Multiple leave categories have been designed to provide leaves for various reasons. Please note that leaves cannot be clubbed across categories.
- All the leaves must be applied in Empower and the timesheets should be filled accordingly in Pulse/NetSuite. Pulse/NetSuite is a Time and Expense System while Empower is the Leave Management System. Thus, Associate must apply on Empower separately as well as mentioned the details in Pulse/NetSuite while submitting timesheet.
